### APPOINTMENT OF A NEW CHAIR OF THE KeNIC BOARD WITH EFFECT FROM DECEMBER 17, 2020

Kenya Network Information Centre (KeNIC) Board of Directors is pleased to announce the appointment of Mr. **Geoffrey Shimanyula** as the new chair of the Board with effect from **December 17, 2020**

Mr. Shimanyula is the Commercial Director in the Digital Division at Telkom Kenya and previously worked at Liquid Telecom as the Chief Commercial Officer. He has been in the industry for over two decades and counting.

Under his leadership, KeNIC looks forward to become a leader in the digital space and a respectable voice in the ICT and Domain Name System (DNS) sector both locally and globally. Mr. Shimanyula will also lead the organization in driving its vision and strategy that will ensure KeNIC is positioned as the enabler of a digital economy.

The Board is committed to fully support Mr. Shimanyula and wishes him success in driving KeNIC to become a leading Country Code Top-level domain (ccTLD) Registry in Africa.
