

## **.KE CERTIFIED ARBITRATORS**

Kenya Network Information Centre (KeNIC) is an organization, established through the facilitation of the Communications Authority of Kenya (CA), and is charged with the management and administration of the .KE (*dotKE*) domain. Kenya's Country Code Top Level Domain.

KeNIC offers Alternative Dispute Resolution as per our Alternate Dispute Resolution Policy(<https://kenic.or.ke/wp-content/uploads/2020/01/ADRP-KeNIC-2.pdf>) between individuals who have are in contention with the registration of a .KE domain. This process consists of mediation between the two parties involved to try and resolve the issue at hand. In the event that the two parties do not strike a mutual agreement, they are then advised to proceed to arbitration.
