FOR THE YEAR ENDED 31ST DECEMBER 2022

Kenya Network Information Centre (KeNIC) Report of the Directors For the Year Ended 31st December 2022

The directors submit their report together with the audited financial statements for the year ended 31st December 2022 which disclose the state of affairs of the company.

Incorporation

The company is domiciled in Kenya where it is incorporated as a company limited by guarantee under the Kenya Companies Act. The address of the registered office is set out on page 1.

Directorate

The directors who held office during the year and to the date of this report are set out on page 1.

Principal activities

The principal activity of the company is to manage and administer the .ke country code top level domain (.ke ccTLD) name.

Results:

	2022	2021
	Kshs	Kshs
Revenue	105,306,483	94,315,307
Expenditure	(78,060,868)	(71,788,609)
Tax Expense	(6,285,374)	(6,218,068)
Net Surplus for the year	20,960,241	16,308,630

Principal risks and uncertainties

The overall business environment continues to remain challenging and this has a resultant effect on overall growth of .ke domains. The company's strategic focus is to enhance domain growth whilst maintaining stability of the registry as a going concern. The registry as a company is exposed to the following risks.

Liquidity risk

The company maintains a cashflow management system to monitor cash inflows and out flows to ensure there is availability of funds to effectively run the registry operations. Further to this, the company seeks to continuously diversify its income to enhance cash inflows.

Compliance risk

The company's compliance risk is derived from failure to comply with the Communication Authority licensing conditions as mandated by Kenya Information Communication Act (KICA) which might result to non-issuance of the ASP compliance certificate and the Audit license.

The company ensures the required quarterly returns are made on a timely basis, payment of licenses fee is promptly done and the Communication Authority audit is conducted as scheduled with all relevant and requested information submitted to the authority on time.

Customer retention risk

Customer retention is vital to the success of any B2B or B2C business. The company is exposed to the risk of high deletions as we register growth in domain registrations. The company has employed various marketing strategies to mitigate on high deletions and ensure retention of customers.

Kenya Network Information Centre (KeNIC) Report of the Directors (Cont.) For the Year Ended 31st December 2022

Statement as to disclosure to the Company's auditor

With respect to each director at the time this report was approved:

- (a) there is, so far as the director is aware, no relevant audit information of which the company's auditor is unaware; and
- (b) the director has taken all the steps that the director ought to have taken as a director so as to be aware of any relevant audit information and to establish that the company's auditor is aware of that information.

Terms of appointment of the auditor

During the year, Matengo & Associates, Certified Public Accountants, were appointed as the company's auditors and have expressed their willingness to continue in office in accordance with the Sections 717 of the Kenyan Companies Act.

The directors monitor the effectiveness, objectivity and independence of the auditor. The directors also approve the annual audit engagement contract which sets out the terms of the auditor's appointment and the related fees.

Kenya Network Information Centre (KeNIC) Statement of Directors' Responsibilities For the Year Ended 31st December 2022

The Kenyan Companies Act, 2015 requires the directors to prepare financial statements for each financial year that give a true and fair view of the financial position of the Company as at the end of the financial year and of its profit or loss for that year. It also requires the directors to ensure that the Company keeps proper accounting records that:

(a) show and explain the transactions of the Company;

(b) disclose, with reasonable accuracy, the financial position of the Company; and

(c) enable the directors to ensure that every financial statement required to be prepared complies with the requirements of the Companies Act, 2015.

The directors accept responsibility for the preparation and presentation of these financial statements in accordance with International Financial Reporting Standards and in the manner required by the Kenyan Companies Act, 2015. They also accept responsibility for:

- designing, implementing and maintaining such internal control as they determine necessary to
 enable the presentation of financial statements that are free from material misstatement, whether
 due to fraud or error;
- selecting suitable accounting policies and applying them consistently; and
- making accounting estimates and judgements that are reasonable in the circumstances.

Having made an assessment of the Company's ability to continue as a going concern, the directors are not aware of any material uncertainties related to events or conditions that may cast doubt upon the Company's ability to continue as a going concern.

The directors acknowledge that the independent audit of the financial statements does not relieve them of their responsibilities.
